I'm glad Ikast won, but I think it's too late now. 😊

Oh, I can imagine just how Milanovic is playing. 😊 But if it's worse than I think it must be BAAAAAD! The WC play-offs are coming up so she needs to turn it around somehow. And as I can see Batinic is following her footsteps and that's very disturbing. I'd like to know what's going on with them. They need to pull themselves together ASAP.

- Nothing is still decided 😬 Both Aalborg and Slagelse can win the primary round, both GOG and Ikast can qualify for the playoffs... SK Aarhus can still survive.
- Only 80 goals out of 296 was scored by foreign players 😬
- The new NT-players Mette Sjøberg(8), Lene Thomsen(11) and Lene Lund Nielsen(7) did very well 😊
- The very young and talented Kolding IF side – many players under 21 years old – had a lead of 6 goals, but the lack of experience was decisive in the end 😬

This season... talents will shine:

Nikoline Nielsen, Lærke Møller, Lotte Grigel, Camilla Dalby, Susan Thorsgaard, Louise Lyksborg, Line Jørgensen, Mie Augustesen, Mia Møldrup, Maria Fisker, AK, Natascha Ohlendorff, Sabina Rasmussen

Very exciting last round in the league!
Plenty of question left for this round.
I picked 4 matches from the "menu", and will place a 20 euro bet on that combo.
What do you think?
Here's my combo:
