

As expected... two teams in front and two teams in the bottom. The rest is total equal so far. 😊

So it will be exciting...

1 who will win the league... Viborg or FCK. ?

2 Who will make direct relegation... Slagelse or SønderjyskE ?

3 Who will make the "playoffs"... the rest are in close contest ? However I think we can rule out Horsens HK and probably Aalborg DH. It will be interesting to see how long Team Esbjerg can keep momentum.

Ikast should be secure number 3.

GOG, KIF Vejen, Randers HK, SK Aarhus, Team Esbjerg with Aalborg DH as dark horse is the favourites for the remaining 3 "playoff" spots.

Suggestion: How about creating a separate topic for the 1st division instead? Too much to have both the 1st and 2nd best league + Nordea cup all in one topic. Easier to keep track of the different discussions if they each have their own topic.

Better changing the topic to "Danish club handball"... better to keep all the results
