Byaasen-Larvik FT 30-30.

Oh, a small tragedy for Byaasen today... At 59:46 technical fault...

Poor Byaasen, but still a great result, but they should have won, to have a chance in the championship!! Think about Larvik's poor conditions next year without Linka...

Well, the match yesterday was almost without Linka 😊 She was really, really poor. 4 golas total with 3 from the 7M and on top of that it looked like she was drunk in defence 😊 Herrem had a field day against her on the wing.
