# Beautiful score of the CBD 2

Against the second in the pool, CBD 2 showed that it could get back on the podium if it displays this defensive quality every week.

The Dijon reserve offered a very nice match yesterday, confirming that it is comfortable raising the curtain of the first team (+13).

In a start played at a low pace, Dijon takes the advantage by making the most of the fast game (3-1, 6th). But on placed play, the Dijonnaises are in difficulty against the staged defense and ball losses prevent them from widening the gap, while the defense is efficient. Fanny Millot is comfortable (3 goals in 12'), and the CBD succeeds in the break thanks to the efficiency of Houlet (11-7, 20th). Bar-le-Duc stumbles on the Dijon block and on a very inspired Marine Tubio in his cage (10 stops in the first half). Only a few passages in the zone and passages in force prevent Pierre-Guy Aimetti's players from making a bigger gap (16-12, 30th).

At the resumption, we expect a reaction from the second in the pool (Bar-le-Duc), but the CBD still makes the difference on fast play with a "quarterback" pass from Tubio for Millot, and an authoritarian rush from Kenza Houlet that raises the gap to +7 (20-13, 36th). He remains stable for ten minutes, and if Laurent brings his team back to -5 on his personal 7th goal (23-18, 45th), Dijon reacts immediately to make the difference thanks to Jean Gilles and Mercuzot (27-18, 48th). Mass is said, but the CBD makes it a point of honor to add a ladle (36-23, 60th).
