So what about the Bundesliga ?

Can Leipzig win again without Susann Müller. Who shall replace her on rightback ?

I think Thüringer HC looks like a strong team too ( it´s the only club besides Leipzig, where I know several names 😊 )

Strong names though, and I think we can agree on, that H. Müller has some talent for coaching.

Leverkusen : I can´t figure out how strong they are ? I only know Steinbach-Loerper and Woltering.

It will be exiting how they will manage in CL-qual.

## Re: German Bundesliga 2010/2011

by **meteo** » Sat Jul 31, 2010 5:57 pm

I expect Kudlacz to play at Right back, no lefthanded-rightback

club: goalkeeper, left wing – left back – center back – right back – right wing – line player

Leipzig: **Schülke**, Plöger – **Augsburg**, Kiedrowski – **Ulbricht**, Haugen – **Rösler**, Daniels – **Kudlacz**, Eriksson – **Ommundsen**, Hellriegel, Lyksborg – **A. Müller**, Schulze, Urne (maternity break)

Defense: Sara Eriksson/Rannveig Haugen for Ania Rösler/Karolina Kudlacz

Leverkusen: **Woltering**, Glaser – **Garcia**, Krüger – **Steinbach**, Bönighausen, Idelberger – **Loerper**, Jochin, Huckenbeck, Schriever – **Glankovicova** – **Zapf**, Hambitzer – **Byl**, Egger

Defense: Stefanie Egger for Garcia or Zapf (depending on attacking side)

Oldenburg: **Surkova**, Renner – Badenhop, **Reinhold**, Birke – **Geschke**, Wenzl – **Neuendorf**, Abbingh – **Jakubisova**, van der Heijden – **Stange**, Schirmer – **Kethorn**, Hetmanek

Maybe Wenzl will be at left wing at starting seven, hard to predict, Reinhold was topscorer of second league last season. van der Heijden will give Jakubisova a tough fight and can also reach starting seven.

Blomberg: Hagel, **Roch**, Kühne – Langkeit, **Müller**, Berndt – **Lang** – **Seiffert**, Lehnhoff – **Krause**, Uhlig – **Richter** (former name Neukamp), Ernsberger – **Thomas**, Leppert

Defense: Uhlig to strengthen defense instead of Müller or Thomas

Buxtehude: Klijn, **Krause**, Louwers – **Fischer**, Petersen (former name Henze) – **Techert**, Stapelfeldt, Wode, Oldenburg – Schmäschke, **Bülau** – **Melbeck**, Klein – Lütz, **Hayn** – **Lamein**, Prior

Göppingen: **van der Wal**, Schulz – **Hilster** – **Stellbrink**, **Dinkel** – Günthel, Berger – **Vojtiskova**, Herr – **Weigelt** – Dangel, **Schröder**

I expect Dinkel playing Center back – Günthel and Berger should not be enough quality for starting seven.

Frankfurt: **Burrekers**, Herrmann – **Hering**, Nega – **Mietzner** – **Beier**, Wegner – **Gubernatis**, Preis – **Eickhoff**, Scheidemann – Schneider, **Urbanek**, Paap

Line player No. 1 Susann Schneider suffers a shoulder injury, Arjenne Paap is on maternity break

Thüringer HC: März, **Blazek – Mesquita** – Nadgornaja, Minevskaja, **Subke – van der Wissel**, Popluharova, Wohlbold, Jahn – **Reiche – Engel**, Knytlova – **Snelder**, Garcia

I'm waiting for my first impressions of this team in August. Wohlbold was one of the best playmakers the last season in Germany, but I expect van der Wissel in starting line-up. Will be a tough fight.

Trier: Vogt, **Monz – Vallet**, Lennartz – **Karsten**, Schneider – **Pütz – n.n.** – **Arnosova**, Derbach – **Solic, Cocx**

As we can see, Trier definitely misses a right back. So, roster is not complete, starting line-up hard to predict.

Sindelfingen: **Grabowski** – Meier, **Härdter**, Großmann, Ackermann – **Cartarius**, Engel – **Baumbach**, Ott – **Bohm – Breidert**, Rösler – **Deen**, Fischer

Sindelfingen also misses a real rightback. Due to her strong defense, I expect Bohm playing there.

Bietigheim: **Schilk**, Friedrich – Müller, **Beck** – Frank, Scheffknecht, **van Cappelle** – Holder, **Markeviciute – Brecska – Michel**, Mack – Koziol, **Karolius**

Rosengarten: Albers, Eckert, **Arndt – Nendza**, Cramer, Misiak – Maassen – **Valyushek, Kotenko – Schliecker**, Rix – Demir, **Heinzelmann** – Müller, Bauer

I expect the 1st league experienced players Valyushek und Kotenko in the starting seven.

Looks like Leipzig have to work a little harder without Müller. Regarding Haugen, in Esbjerg she was substitute for Mangué on rightback in attack. Haugen also became an absolute top-defender in Danish League. I think she will do nicely replacing Holmgren in defence.

Regarding Pearl Van Der Wissel, she can easily play on all 3 back-positions. I'm sure she will be a great asset for Thüringer HC. She has a nice shot-she is fast and a super tactician. If Pearl is fit, she will do some of her "magic" in the Bundesliga. ( same type as Mouna Chebbah )

Pearl VDW is one of my favourite-players !.... maybe someone noticed that I have a "weakness for tiny / clever players" ( L. Møller – Pearl VDW – Chebbah – Görbicz – Lekic and so on ) 😊

It looks like a very tight season. I have always liked the Bundesliga for being a very levelled league.

Ommundsen takes on another season after all.

I welcome your post with enthusiasm.

What happened, any injuries in Leverkusen ?

Yesterday it was FCM-Randers (16-18). If it can be any comfort to Leverkusen, I can tell that Randers play very bad for the time being.

attack was very clueless. Maybe away-match and Leipzig on Wednesday and CL-qualification was already on their mind.

Match can be seen via <http://hamburg.liveimnetz.de> (direct link is posted in Handball on TV thread here)

I notice Maren Baumbach has re-found her selves- at least handball wise. I guess though any NT come back would require a change of the NT coach. 🤔

Baumbach retired after discussions with Emrich. We already changed the coach. 😊

But I don't think that there will be a way back for her.

Ohh yes I forgot that it was under Emrich she retired. I am just wondering what it takes to get a full German NT team pay out of individual great shooting backs. 🤔

try to get into the history books 😊

No other match had so many goals up to now.

The most goals scored within a match in Bundesliga up to now:

78

2006/07 HC Leipzig – Buxtehuder SV 46:32

2009/10 HC Leipzig – VfL Sindelfingen 44:34

77

2007/08 1.FC Nürnberg – DJK MJC Trier 42:35

2008/09 HSG Sulzbach/Leidersbach – Frankfurter HC 41:36

76

2009/10 VfL Oldenburg – DJK MJC Trier 41:34

Well, I can try to upload the video if wanted. 😊
